**BRADFORD GIRLS AND COMPANIONS ARE ENJOYING THEIR TRIP TO CALIFORNIA**

Word was received Saturday morning by the Dorgan family that the Bradford girls who left here almost three weeks ago for San Francisco had arrived safely at Long Beach, California, and were spending the week end with Mr. and Mrs. Arthur Pilgrim, formerly of this place. The few days spent in Long Beach were busy ones for the girls, as they were in charge of Mr. and Mrs. Pilgrim, who took them every place of interest in that city and adjoining places. Among the trips was an airplane ride to the Catalina Islands, the return trip being made by boat. Monday the girls left for San Francisco, with stop-over trips enroute. After a few days doing the San Francisco exposition and side trips in that city the girls will start homeward bound. Daily newspapers from Oklahoma City and Tulsa, Oklahoma, showed the girls seated in their Silver Streak on the main thoroughfares of these cities, with complete write-ups of their trips from Bradford.
